

Parent/Guardian Media Recording Release for Children and Dependents

Project: Fidget Spinner Song Music Video

Form v.3

We, teacher Adam Steinberg and my two sons, Elliott (grade 6) and Jasper (grade 4), have decided to make a song and video about fidget spinners. We would like to videotape your child among others using his or her spinner. Depending on how each scene is shot, faces may or may not be visible. We feel we should get permission from parents, especially if faces might be in the picture, to make sure they approve of our project capturing their child using this toy. We hope you'll sign this standard, very official-sounding document to allow us to use footage of your child. Thank you! -A., E. and J.-

Squeaky Toy Music is the dba of Adam Steinberg and, for the purposes of this music video project, Elliott and Jasper Steinberg. Thanks for supporting our creative family project! Note this is not a FIS initiative or event; they have merely given us permission to gather students during lunch and so on and shoot on the premises. Thank you to the school and its principals!
